## Girdwood Campground

Girdwood Parks and Recreation offers tent camping opportunities during the summer months at the Girdwood Campground. To reach the campground, take Alyeska Highway and turn east on Egloff Drive. Follow Egloff Drive past the Glacier City Hall building, Girdwood Fire Department and Ball Field. The Girdwood Campground is located just past the Ball Field.

Eighteen rustic camping sites are set amongst the tall spruce and cottonwood trees. The campground is open during the summer only, from May thru September. weather permitting.

Overnight camping is available for a maximum of 14 consecutive nights. Camping spots are available on a first-come, first-served basis. Advance reservations are not available. Upon selecting a tent site, campers must proceed to the payment kiosk to make payment for their site.
